Limited Submission Policy

Nicole Moreland
Office of Research Development
What is a limited Submission?

- A funding opportunity for which only a limited number of proposal (or pre-proposal) submissions is allowed.
Limited Submission Process

- No later than 40 (calendar) days prior to the program’s deadline, PI must submit the Limited Submission Form to ORD (huogm@howard.edu) and RAS (ora@howard.edu)

- After the close of business on the 40th day prior to the deadline, all submissions will be reviewed

- If fewer forms are received than the solicitation limits, all PI’s will be invited by ORD to submit their applications
Limited Submission Process

• If more forms are received, no later than the 35th day prior to the deadline, ORD will convene a review to recommend which application(s) should move forward

• Final selection by the Associate Provost will be communicated to all potential PI’s (through ORD) no later than 30 days prior to the deadline
Additional Considerations

• In the event that a funding opportunity is announced less than 40 days prior to the deadline, ORD will adjust the timeline accordingly
Major Research Instrumentation Program: (MRI) Instrument Acquisition or Development

PROGRAM SOLICITATION
